Some quick notes on what we can provide Kris in the immediate term—

Deliberative Process / Ex. 5

Is everybody OK with the way I developed the technical/scientific evaluation table? I've pasted it below. Let me know what I should add or take away. The text in the table is a bit lengthy because it was adapted from an older memo.

Paul--- should I make a Sharepoint folder for CP in the PKWG Onedrive?

PKWG,

We are going to meet this week (tomorrow), and I'm moving the time up to 2:10 pm to fit between other meetings.

The topic is chloroprene, see Alan and Allen's note below for recent history - a 'correction'/update of the previous review.
